*(We can schedule a Telemedicine visit with you)*
- **Stay home** if you have been exposed to someone with COVID-19.  
*(We can schedule a Telemedicine visit with you)*
- **Stay home** if you are being tested for COVID-19.  
*(We can schedule a Telemedicine visit with you)*
- Patients and visitors will be screened for COVID-19 symptoms, fever, cough and respiratory symptoms, prior to their visit. We will reschedule appointments if patients have symptoms.
- To help limit the number of people in the office, visitors will not be allowed to accompany patients to their appointments unless medically necessary or meeting with the physician for a cancer talk.
- To help limit the number of people in the office, only 1 parent or guardian may accompany a child to their appointment.
- Patients and visitors are required to wear a mask -cloth masks are acceptable. If patients are unable to wear a mask for medical reasons, they will need to schedule a Telemedicine visit.
- Social distancing will be enforced in the office setting. All patients and visitors are asked to space themselves 6 feet apart.
- Telemedicine appointments are available for patients not comfortable coming into the office and following these guidelines.
- Staff members will be wearing masks in the office.
