

**UROLOGIC CONSULTANTS, P.C.
PATIENT AND VISITOR GUIDELINES
FOR COVID-19 SCREENING**

Stay home if...

- you are sick, have a fever, cough or respiratory symptoms,
- you have traveled outside the U.S. in the last 14-days,
- you have been exposed to someone with COVID-19 in the last 14-days,
- you are currently being tested for COVID-19.

Appointments will be RESCHEDULED if patients answer yes to any of the above questions.

Urologic Consultants has established the following COVID-19 guidelines for patients and visitors coming into our offices:

- Patients and visitors are **required to wear a mask at all times**. Patients that are unable to wear a mask for medical reasons are asked to schedule a Telemedicine visit.
- Adult patients may have 1 visitor accompany them to their appointment.
- Pediatric patients may have both parents, or guardians, accompany them to their appointment. Please **do NOT bring siblings** to appointments.
- Patients and visitors will be screened for COVID-19 symptoms - fever, cough and respiratory symptoms, prior to their visit. Screening results for patients and visitors will be documented in the patient's chart at every visit.
- If patients have COVID-19 symptoms, they will be instructed to reschedule their appointment to a Telemedicine visit and provided a COVID-19 screening hotline.
- Social distancing will be enforced in the office setting. All patients and visitors, that are not related, are asked to try and space themselves 6 feet apart.
- Telemedicine appointments are available for patients not comfortable coming into the office and/or following these guidelines.
- All staff members will be wearing masks in the office.

Please call us at 616-459-4171 if you have any questions. Thank you!
